

SPECIFICATIONS

Product Description: **COOLING VEST**
Part Number: **8401 SERIES**
Style: **COOL-OFF**

GENERAL DESCRIPTION:

Cooling products are designed to protect and provide comfort to workers who must function in environments with excessive heat. Allegro caters to the demands of construction workers, firefighters, welders and factory workers, as well as other applications. The cooling vest is activated by soaking in water for 5 to 9 minutes for an all day cooling effect.

VEST:

- Adjustable elastic side straps with polyethylene sliders for snug fit
- Horizontal and vertical stitching for even cooling material distribution
- Snap button front closure for easy access
- Royal blue color
- Three sizes available
- V-Shape neck
- Outer and inner layers made of 100% cotton
- Weight 2 lbs (dry)

COOLING MATERIAL:

- Polymers
- Safe and Non Toxic
- Non-flammable and non-combustible material
- Maintains a cool constant temperature up to 72 hours
- Activated in cool or iced water
- Requires activation by soaking for 2-5 minutes
- Reusable, reactivate when dry
